

## BONUS30 Promo Rules

1. BONUS30 is a redeemable bonus that is credited on any account deposit, except for the "first deposit" (see p.2), in the amount of 30% of the deposit, but no more than \$5,000.
2. All deposits/withdrawals to/from the account before the first trade made by crediting money directly to the client's trading account, excluding transfers from agents, other accounts or transfers between Personal Areas of one client, are considered the "first deposit". The "first deposit" is covered by the EquityBoost promotion.
3. The bonus is credited automatically. It can be canceled upon the withdrawal of funds from the trading account.
4. The promotion period runs from 30.09.2024 to 31.01.2025. The credited funds under the BONUS30 promotion are provided for a period of 360 days.
5. BONUS30 is part of the trading turnover requirement of \$1000 per 300 lots. If the trading turnover requirements on the trading account are met, the bonus (i.e. real money) will be credited to the trading account, and the client is free to do whatever they want with it.
